PRIZES ON OFFER

The prizes on offer are detailed in the competition post and are subject to change in case of unforeseen circumstances for instance further Lockdown restrictions. Wherever reasonably possible, if a prize is unavailable, a suitable alternative will be offered.

HOW TO ENTER

You can enter the competition on the Facebook group/page of any of the businesses involved (tagged in the post). You just need to tell us in the comments of the competition post who you would share the prize with if you won; you don't have to tag them but feel free if you do. It's not a condition of the competition that you Like or Share any of the business pages or our posts; if you wish to do so we appreciate it but it does not increase your chances of winning. Maximum one entry per person per business page, but you can comment on the competition posts of more than one of the businesses involved, for additional entries. The competition closes at 7pm on Sunday 29th November and late entries will not be accepted.

HOW WE'LL CHOOSE A WINNER

Erin at Jolly Gymnastics is administering the competition and will combine entries across all of the 11588 pages of businesses involved, and selected via a random name/number generator. The winner will be announced on the same Facebook pages as soon as possible. By entering the competition you consent to being named as the winner in this way; if you do not, you should inform us at the time of entry.

The winner will also be contacted via Facebook Messenger with an e-ticket for the Jolly Gymnastics Christmas session, and all other prizes will be available to collect from Jolly Gymnastics on that day (21st December). If for any reason you cannot attend these fun sessions, the prize will be delivered to the winner's address in or around Norwich (20 miles). Alternatively, collection is available from Old Catton on 22nd December.
