Contractual purposes

When you ask us to provide you with a service (offering gymnastics classes, events or merchandise for sale) we usually need to use information about you to provide this product or service, for example:

- To select an appropriate class for your child to participate in
- To contact you to confirm details such as dates, times, where to go

Legal obligations

We have a duty of care to ensure it is safe for your child to take part in gymnastics activity and to keep them safe while participating. Some individuals may be at risk of harm from participating in gymnastics activity as a result of a pre-existing condition. It is vital that you let us know if there is any reason why taking part in gymnastic activity may be unsafe prior to participation. With your agreement, we will review any information you provide and undertake risk assessments in consultation with yourself and any appropriate trained professionals e.g. medical consultants. When we ask participants to provide relevant health information such as details of medical conditions, medication needs, allergies or injuries, this is because we have a legal obligation.

When you tell us about any special needs such as disabilities or other support information we may use relevant information to comply with our legal obligations under the Equality Act 2010. We will review any information you have provided to help us identify any actions we can take to support inclusion. We may need to ask you for more information to help us to best meet your or your child's needs. We will keep a record of any steps we take to support inclusion.

- *To maintain attendance registers, achievement records and waiting lists*
For health and safety purposes and club records, we need to maintain a register of those in attendance at training or other club activities. We maintain a record of children's achievement e.g. against BG Awards so that we can ensure they continue to work at a suitable level. If there are no places in the club, we can place you on our waiting list and will contact you using the details you provide to inform you when a place is available.
- *To enter you into a competition and share results from that competition*
If you wish to take part in our annual club competition, your child's information (usually name, date of birth and gender) will be used to enter them into the appropriate category and their score will be recorded. Results of competitions may be published on our social media and club newsletter.

DATA RELATING TO COVID-19

- holding information about which adult or parent attended each session with your child; what dates and times they were part of our classes and their phone numbers.
- recording details of any member who has previously shown Covid symptoms within a class or informed us that they have tested positive for Covid.

This information is processed for legal purposes; we have an obligation to inform the relevant authorities of any confirmed cases within our sessions and to be able to identify any individuals who may have been in the facility at the same time/ come into contact with the infected person.

In any case, we will provide only the essential information on a need-to-know basis. DATA HELD RELATING TO THE DELIVERY OF RISE GYMNASTICS

Further to the information in this Privacy Notice, this section specifically outlines how we (Jolly Gymnastics as a joint data controlled with British Gymnastics) will use your data for the purposes of delivering Rise Gymnastics; an activity programme and development pathway for Recreational Gymnasts.

Rise Gymnastics is administered through an online software application called the Rise Hub. All gymnasts in structured classes (Jolly Tots Stage 2 and 3 as well as Jolly Gym) who are current Bronze or Pre-school members with British Gymnastics will automatically be involved in Rise Gymnastics, unless you inform us otherwise. For those gymnasts, the following information (provided to British Gymnastics as part of your membership) will be transferred to the Rise Hub and made available to Jolly Gymnastics through the 'Admin' and 'Coach' Portals:

- name, date of birth and gender
- BG membership number
- first 3 digits of postcode
- the email address assigned to the parent's BG account and their name

Jolly Gymnastics will use Rise Hub to record information about progress and achievement of skills. British Gymnastics may collect information about when you've accessed Rise Hub including your IP address/ type of device used- to be aggregated to create anonymous statistical reports to monitor how Rise Hub is used.

You will be given access to the 'Home Portal' section of Rise Hub and will be given the option to consent to receiving email notifications when your child has met the required standard for a Rise Gymnastics Award. If you agree to receive the emails and later change your mind, you can opt out in your Portal Settings or by using the 'Unsubscribe' link in emails.

If you leave Jolly Gymnastics, we will deactivate your account and you'll no longer be able to access Home Portal. At this point, your account will be pseudonymised meaning all information identifying you (apart from your BG number) will be removed from Rise Hub. If you return to gymnastics within 2 years, your data can be restored to its previous format and if you do not, then it will be deleted.

You have the right to opt out of your data being held within Rise Hub at any time. For any requests relating to your data being held in Rise Hub (including data requests, erasures or amendments) you can contact Jolly Gymnastics' Data Controller (details at the bottom of this policy) or British Gymnastics directly: risehub@british-gymnastics.org. British Gymnastics' full Rise Gymnastics Data Protection Policy is available on [their website](#).
